Peter – Cynthia is out of the office this week but we intend it to be informal – just letting people come and talk one-on-one with agency personnel. Rob Runkel will be available as well as representatives from EPA, BLM, CDPHE. There may be some handouts on various topics from the agencies but no short presentation.

Cynthia – Could you give me a sense of what you envision the availability session will look like. Will there be a short presentation at the beginning, or will there be poster boards and stations that people can move around to, or...?

I would just like to be able to tell people what to expect so I can get the word out. Thanks.
